- To ensure that grievances are resolved promptly, objectively and with sensitivity and in complete confidentiality

Grievance Redressal Mechanism at the Institution Level

- In accordance with the provisions of AICTE, a Student Grievance Redressal Cell is constituted at the commencement of every academic year. The Student Grievance Redressal Cell probes into student grievances and tries to resolve the issues in a time-bound and confidential manner. It aims to redress grievances at individual and class level and also grievances of common interest.
- Students can address or raise their concerns online through the link provided in the college website for submitting their grievances. The Cell Convenor periodically checks if any grievances are submitted.
